

UC SANTA CRUZ STORM WATER

CUSTODIAL SERVICES

ONLY RAIN DOWN THE
DRAIN!

BASIC STORM WATER PROTECTION PRACTICES

1. Custodial sinks are designed to accept custodial wastewater. **NEVER** use a storm drain.
2. When cleaning outdoors dry sweep, wet mop, or wet vacuum. **NEVER** use chemicals outside!
3. Regularly check that storage areas are dry and clean, to detect leaks and spills as soon as possible.
4. Keep lids on cleaning barrels and containers, and store them indoors or under a cover.

REPORTING A STORM WATER CONCERN

Almost any substance other than rain water can be a storm water concern. Don't hesitate to report!

Be sure to **report** if you see a storm water concern to **(831) 459-4520** or email cleanwater@ucsc.edu.

To report emergencies, please dial 9-1-1 from any campus phone or (831) 459-2345 from any phone.

All reports can be confidential.
